- Vision and Mission Statement

Parish Mission Statement:

We the people of the Roman Catholic Church of Saint Casimir form a community who individually and collectively proclaim Jesus Christ as our Lord and Savior. As a parish with a Polish heritage in a multi-cultural and changing neighborhood, we strive to create a spirit of fellowship, enlightenment, cooperation, and involvement among the entire community. In following the Lord, we pledge ourselves to:

growth in faith; through prayerful renewal, education, and evangelization, justice, mercy and cooperation; sharing even from our need, strengthening our bond of unity through encouragement, mutual forgiveness and the reception of the Sacraments of the Church.

In joyfully assuming these ministries, we share in the discipleship of Jesus Christ!
